

Cookie Policy

Effective date: August 9, 2026

Last updated: August 9, 2026

This Cookie Policy explains how Vestora Financial, Inc. (“Vestora,” “we,” “us,” or “our”) uses cookies and similar tracking technologies when you visit our website or use our mobile application (collectively, the “Services”), and the choices available to you. This policy should be read alongside our Privacy Policy, which explains more broadly how we handle personal information.

1. What Are Cookies

Cookies are small text files placed on your device when you visit a website. They are widely used to make websites function, to remember your preferences, and to provide reporting information. We also use related technologies such as local storage and software development kit (SDK) identifiers within our mobile application, which we refer to collectively as “cookies” in this policy.

2. Categories of Cookies We Use

Category	Purpose	Can be disabled?
Strictly necessary	Enable core functionality such as secure login, session management, fraud prevention, and load balancing.	No — required for the Services to function.
Functional	Remember preferences such as language, display currency, and dashboard layout.	Yes, via cookie settings.
Analytics	Help us understand how visitors use the Services so we can improve performance and features.	Yes, via cookie settings.
Marketing	Measure the effectiveness of our campaigns and, where permitted, personalize content you see on third-party platforms.	Yes, via cookie settings.

3. Third-Party Cookies

Some cookies are placed by third-party service providers that appear on our pages, such as analytics providers, security and fraud-prevention vendors, and, where applicable, advertising partners. These third parties may use cookies, web beacons, and similar technologies to collect information about your use of the Services and other websites over time. We do not control these third-party technologies, and their use is governed by the respective third party's own privacy and cookie policies.

4. How Long Cookies Last

- **Session cookies** — temporary cookies that are deleted when you close your browser or app session.
- **Persistent cookies** — remain on your device for a set period (typically between 30 days and 24 months) or until you delete them manually.

5. Your Cookie Choices

When you first visit our website, you will be presented with a cookie banner that allows you to accept or customize non-essential cookies. You can update your preferences at any time via the “Cookie Settings” link in the website footer. Most web browsers also allow you to control cookies through their settings, including blocking or deleting cookies; however, disabling strictly necessary cookies may prevent the Services from functioning correctly, including the ability to log in or complete transactions.

6. Do Not Track

Some browsers offer a “Do Not Track” signal. Because there is not yet a common industry standard for how to respond to such signals, our Services currently do not respond differently based on a detected Do Not Track signal.

7. Changes to This Policy

We may update this Cookie Policy periodically to reflect changes in the cookies and technologies we use or for legal and regulatory reasons. We will post the updated policy with a revised “Last updated” date.

8. Contact Us

If you have questions about our use of cookies, contact us at privacy@vestora.com or Vestora Financial, Inc., Attn: Privacy Team, 1 Market Street, Suite 400, San Francisco, CA 94105.
